# Future Course Survey Form

The Chancellor and the Deans of the University of Scouting are very interested in your opinion or ideas and would like your input and suggestions for future courses to be offered at the University.

We need to not only consider the needs of Scouters today but look ahead into the ever changing future of Scouting. Therefore our goal is to provide for you and for all volunteers the most up to date information to assist everyone to better prepared to perform their job as a volunteer Scouter. It is critical to the future success of the University that we always look ahead and make the changes that are necessary to move into the future..

Please offer a suggestion for a course that would provide information on a topic that is not currently offered at the University. Please complete the lower portion of this form and return to the Chancellor, any Dean or to the registration area at the University of Scouting.
