A. Take a Peek Inside the New Venturing Toolbox:

In May 2017, the national office released a new Venturing Training Toolbox that can help both youth and adult Venturers learn and give presentations more effectively. This is an entirely free toolbox where you can obtain information and presentation materials for upcoming crew meetings.

Inside the toolbox, users will find several PowerPoint templates that can be adapted for various types of presentations, ranging from advancement-related topics (training and awards) to helpful crew and council topics (marketing, events, Venturing officers' association (VOA), and others). All PowerPoints have been reviewed and enhanced by the National Venturing Youth Cabinet and other youth Venturers.

All toolbox presentations may be reviewed and customized for individual presentations to fit specific needs of individuals and crews. Presentations may also be combined, depending on the desired topics. Check this new Venturing Training Toolbox out today by visiting www.venturing.org/training-toolbox.html
