BALTIMORE AREA COUNCIL

2020 CAMP CARD SALE!

The Council Service Center has made the decision to postpone Council and District-sponsored activities, meetings, and events, through April 30th. You can read the full updated [here](#).

All Camp Card Show and Sells (Booth Sales) are postponed through April 30. To help our Scouts and units earn the funds they need, we have decided to extend the 2020 Camp Card Sale. At this time, the 2020 Camp Card Sale will continue until July 30, 2020. A preliminary closeout will occur at the May or June Roundtable. At such time, unit leaders will submit all money and receive an updated form on the number of Camp Cards in their possession. This preliminary closeout will help us gauge our sales to date.

Units do not need to bring their Camp Cards at this preliminary closeout Roundtable unless they do not intend to keep selling. The late closeout policy will also be extended until July 30, 2020; however, units must participate in the preliminary closeout.
