1. Camper Arrival - Campers should arrive between 8:15am and 8:30 am each morning. An adult must accompany each camper to camp property. They must be signed-in at the sign-in station, and taken to their den tent.
2. Uniform: camp shirt, hat, shorts/pants, and closed-toe comfortable shoes with socks—*NO SANDALS, OPEN-TOED SHOES, OR CROCS!!* We suggest wearing an old pair of sneakers. Campers and staff will be exposed to environments that may soil/ruin a new pair. The Camp director will call Parents of scouts not meeting all aspects of the uniform and instruct them to bring the required items to camp that day.
3. Lunch - Campers, Staff, and Parents are to bring lunch each day with their name clearly written on it. The lunches are kept in a cooler with ice in the den tent area or at the program area. A gallon size bag is recommended to ensure all the lunches fit in the cooler.
4. Each participant must bring a clear, plastic water bottle to camp each day. This allows staff to monitor water intake to ensure we are properly hydrating!
5. Participants may bring folding chairs to leave at their den tent.
6. Any prescribed medications that must be taken in camp will be delivered to the camp medic by the adult dropping off the camper each morning. Deliver medications in a zip-lock bag with the child's name clearly written on it and a prescription provided. Retrieve medications from the camp medic each afternoon. If your child has an Epi-Pen or Inhaler, please notify the medic and den leader of its location. Please, ensure that epi-pens and all other medications are not expired.
7. Insect repellent and sunscreen should be applied at home. This is a precaution against allergic reactions.
8. Camper Dismissal - Camper pick-up is at 4:30 pm at the den tent. An adult must sign-out their Camper each afternoon. Campers must be signed-out each day.
9. If a Camper needs to go home early, the adult picking them up must first check in at the Admin Area, before signing the Camper out with the Den Leader.
10. No Camper will be released to any person who is not listed on the Camper's authorized pick up list. Adults picking up a camper may be asked to present an ID; please ensure they are prepared.
11. Den Leaders will report any Scouts who did not arrive at Camp. A staff member will follow up with a phone call to the parent confirming the Scout's absence. If your camper will not be at camp, please notify Camp administration as soon as possible.
12. Friday, weather permitting, will be a Friday Fun Day, to include water activities. Participants are encouraged to wear a bathing suit and bring a change of clothes.
13. Friday closing ceremony will include awards and performances by the Cubs. It starts at 3:00pm. All family is invited to attend this event. Bring a folding chair.
14. Our camp will have a trading post that sells candy, snacks, and Gatorade during the lunch break. The products offered are not designed to replace a lunch meal. If you choose, you can send your child to camp with a small amount of money (a couple of dollars) to buy a treat.
15. Scouts earning their Whittling Chip or working on those skills will be provided the supplies and should not bring a knife to camp.
16. Electronic devices are not permitted at camp. If your child requires one, please note that during registration. For the safety of all campers, if a device is needed as part of daily programming, the child will only be able to use the device while at Administration.
17. Please contact us with any questions/concerns/feedback you have before, during, or after camp.

HAVE FUN AND DRINK WATER!!
