

BOY SCOUTS OF AMERICA®

BALTIMORE AREA COUNCIL

December 30, 2021

Dear Scouting Friends, Family, and Supporters:

Baltimore Area Council (BAC) leadership continues to monitor COVID developments from local, state, and national authorities in order to provide safe in-person Scouting activities and events.

Currently masks are required for all indoor activities throughout Baltimore City. Leadership from Baltimore County and Howard County are now also requiring masks to be worn while indoors, and we expect other counties to follow.

Please continue to refer to your local and state guidelines as it relates to COVID precautions in your community. Contact your charter organization should you have any questions about your ability to hold meetings in person.

We ask that individuals continue to be cautious and use their best judgement as we continue to navigate through these times. The COVID-19 Task Force will continue to monitor and conduct assessments of conditions to provide the best Scouting program while carefully considering the wellbeing of the entire Scouting Family and our community at large.

Additional resources are available at www.baltimoreBSA.org/COVID-19.

Stay safe and keep up the great work you do for the Scouting movement!

Kenn Miller
Scout Executive
