

BOY SCOUTS OF AMERICA®

BALTIMORE AREA COUNCIL

The Baltimore Area Council, Boy Scouts of America is able to provide quality, character education programs that positively impact the lives of over 250,000 people annually in Central Maryland due to strategic partnerships with community leaders and strong corporate citizens. Our programs can be sustained and expanded only when our financial base is solid.

However, there are other ways to support the BAC than just monetary. Below you'll find a list of items that can also be donated:

Furnace Service:

Each year we service our camp furnaces in order to keep them safe and in good condition. If we could get a sponsor or donation for that service it would enable that money to be reinvested in program materials for our Scouts.
