Enclosed is a packet of information to assist you in planning for the 2019 Webelos Camporee. Included are Registration Forms, Schedule of Events, General Instructions, Rules and Regulations, Suggested Personal Equipment Checklist, Camp Map, Model Campsite and a Permission Slip. The information provided should give you insight into what is expected to make this Camporee a memorable experience for all. It is your role to ensure your Webelos Leaders receive this information ASAP, so your Webelos can plan for this event.

This year, we will be providing an opportunity for the Webelos den leaders to meet and build relationships with the Boy Scout units volunteering at the Camporee. Webelos leaders need Troop support to have den chiefs, camping opportunities and the necessary equipment to camp. The Den leaders will have a chance to check out units in their area. This will help them have a better program for their boys and promote bridging to a quality unit! More information will be available on Friday night at the leaders meeting at camp.

Mark your calendars now and plan to attend the Dulaney District 2019 Webelos Camporee. We hope to see you there. This year's enthusiastic Staff brings to the Camporee many years of experience to help make this weekend's program the best ever. If you have any questions, do not hesitate to email don3039@gmail.com or call me at 410-207-7873.

Yours in Scouting,

Don Walters
