FOR THE COLLECTOR

Baltimore Area Council is offering
All Fifteen Patches
in
Three UNCUT Circles
for
\$200
per set of three circle patches.

This is the only way that these UNCUT circle patches will be available for sale. These circle patches will not be sold individually. There will absolutely be none available at a lesser price anywhere at a later date. Each circle is expertly made as a single item with the same dimensions as the fifteen individual patches and is over 7 inches in diameter. The proceeds will help offset the cost of Scouts attending the Jamboree.
