OLD ITEMS From Previous Blasts

1) University of Scouting--Saturday March 14, 2015.

It is with great pleasure that I inform you that registration for the 2015 University of Scouting has begun. Our program keeps on growing.

This year we are offering over 131 classes, "21 of which are new courses including the revised Cub Scout changes from National".

We included 3 separate sessions to allow adults to update any training they need to do online – we will allow a continuing education credit for this too.

These three sessions will allow for 60 scouters to take and update any required and optional online training they can get from MyScouting. Printers will be available to print the online certificate.

We are finalizing our Key Note Speaker and once this is settled, we will announce it on our web page.

In the meantime, you can register at:
