New BLAST-how it works.

This is the second Blast sent out by Constant Contact from the Council Offices. Mark Mulligan still composes the Blast, but has no ability to directly post items. Here are the constraints we work under.

- 1) The Blast will come to you from a Council email address.
- 2) Send items to be posted or questions to Mark at Crew396@aol.com.
- 3) Send only text-no flyers or graphics.
- 4) We will try to only send two Blast per month, so send your content early
