## **CUB SCOUT LEADER'S GUIDE**

### **What is Cub Fun Day?**

The Cub Fun Day is an opportunity for boys and their families to start the Cub Scout year off with a fun outdoor event. This Cub Family Fun Day will feature games and activities designed for the entire family.

- **Rockets!** Each Scout will have the opportunity to shoot off his/her very own Rocket. Rockets are available with the participant fee and will be distributed at Check in. There will be an opportunity to build your Rocket on site and shoot it that day.
- **Food Available:** We will have a small 'Trading Post' that will have food items for sale. This will not be a full kitchen, but we heard from past comments that participants wanted a food option, so we listened.
- **Faster Registration:** We will have multiple check in stations provided for faster Check in at the beginning of the event.

### **What's staying from last year?**

- All the shooting sports: BB's, Archery, Sling Shots
- Orienteering!
- Many fun activities!

## **Participant Patches**

All registered Cub Scouts/Siblings will receive a participation patch. At check in, you will receive a guidebook and survey. Please return the survey to our Headquarters building and you will receive your patch.

## **Activities:**

We will have a good number of Activities for you to enjoy throughout the day. Please keep in mind that some are more popular than others and a wait may occur at some of the locations. We encourage that if there is a line at one of the locations, please either visit another activity that may be less busy, or please be patient. We do try our best to move quickly, however we appreciate your patience.

## **Rockets**

If you are planning on building your Rocket at the event, we would encourage you to make that one of your first events. While the Rockets aren't difficult to assemble, they do require some assembly which needs some time in order for the Rockets to set after gluing. While your Rocket is drying, you can participate in other events that are being put on at Cub Fun Day.

## **Camp Map:**

A camp map will be available at Check in detailing the stations that activities will be present at.

## **Volunteers**

We are all volunteers! In order to promote a quality event for the youth of Harford County, we rely on Volunteers to help run the program at Cub Fun Day. If you would like to help with an area, help kids assemble rockets, help with Parking, etc... please let us know by signing up to volunteer at [www.baltimorebsa.org/harfordcubfunday](http://www.baltimorebsa.org/harfordcubfunday) and we would be grateful for any help you can provide.
