What to complete before turning 18

Be Prepared! There are Six (6) requirements that must be completed before a Life Scout’s 18th birthday.

<thead>
<tr>
<th>Complete Eagle Scout Rank Requirements: (1-6)</th>
</tr>
</thead>
</table>

**Requirement (1):** Be active in your troop for at least six months as a Life Scout.

**Requirement (2):** As a Life Scout, demonstrate Scout Spirit by living the Scout Oath and Scout Law. Tell how you have done your duty to God, how you have lived the Scout Oath and Scout Law in your everyday life, and how your understanding of the Scout Oath and Scout Law will guide your life in the future. List on your Eagle Scout Rank Application the names of individuals who know you personally and would be willing to provide a recommendation on your behalf, including parents/guardians, religious (if not affiliated with an organized religion, then the parent or guardian provides this reference), educational, employer (if employed), and two other references.

**Requirement (3):** Earn a total of 21 merit badges (10 more than required for the Life rank), including these 13 merit badges: (a) First Aid, (b) Citizenship in the Community, (c) Citizenship in the Nation, (d) Citizenship in the World, (e) Communication, (f) Cooking, (g) Personal Fitness, (h) Emergency Preparedness OR Lifesaving, (i) Environmental Science OR Sustainability, (j) Personal Management, (k) Swimming OR Hiking OR Cycling, (l) Camping, and (m) Family Life.

You must choose only one of the merit badges listed in categories h, i, and k. Any additional merit badge(s) earned in those categories may be counted as one of your eight optional merit badges used to make your total of 21.

**Requirement (4):** While a Life Scout, serve actively in your troop for six months in one or more of the following positions of responsibility:

- **Scout troop.** Patrol leader, assistant senior patrol leader, senior patrol leader, troop guide, Order of the Arrow troop representative, den chief, scribe, librarian, historian, quartermaster, junior assistant Scoutmaster, chaplain aide, instructor, webmaster, or outdoor ethics guide.

- **Venturing crew.** President, vice president, secretary, treasurer, den chief, historian, guide, quartermaster, chaplain aide, or outdoor ethics guide.

- **Sea Scout ship.** Boatswain, boatswain’s mate, purser, yeoman, storekeeper, crew leader, media specialist, specialist, den chief, or chaplain aide.

- **Lone Scout.** Leadership responsibility in your school, religious organization, club, or elsewhere in your community.

**Requirement (5):** While a Life Scout, plan, develop, and give leadership to others in a service project helpful to any religious institution, any school, or your community. (The project must benefit an organization other than the Boy Scouts of America.) A project proposal must be approved by the organization benefiting from the effort, your Scoutmaster and unit committee, and the council or district before you start. You must use the *Eagle Scout Service Project Workbook*, BSA publication No. 512-927, in meeting this requirement. (To learn more about the Eagle Scout service project, see the *Guide to Advancement*, topics 9.0.2.0 through 9.0.2.16.)
Requirement (6): While a Life Scout, participate in a Scoutmaster conference.

In preparation for your board of review, prepare and attach to your Eagle Scout Rank Application a statement of your ambitions and life purpose and a listing of positions held in your religious institution, school, camp, community, or other organizations, during which you demonstrated leadership skills. Include honors and awards received during this service.

Requirement 7: Successfully complete your board of review for the Eagle Scout rank.\textsuperscript{12} (This requirement may be met after age 18, in accordance with Guide to Advancement topic 8.0.3.1.13).

Notes: For Venturers working on Scouts BSA requirements, replace “troop” with “crew” and “Scoutmaster” with “crew Advisor.” For Sea Scouts working on Scouts BSA requirements, replace “troop” with “ship” and “Scoutmaster” with “Skipper.”

\textsuperscript{11}Assistant patrol leader and bugler are not approved positions of responsibility for the Eagle Scout rank. Likewise, a Scoutmaster-approved leadership project shall not be used in lieu of serving in a position of responsibility.

\textsuperscript{12}APPEALS AND EXTENSIONS

If a Scout believes all requirements for the Eagle Scout rank have been completed but a board of review is denied, the Scout may request a board of review under disputed circumstances in accordance with Guide to Advancement topic 8.0.3.2.

If the board of review does not approve the Scout’s advancement, the decision may be appealed in accordance with Guide to Advancement topic 8.0.4.0.

A Scout who foresees that, due to no fault or choice of their own, it will not be possible to complete the Eagle Scout rank requirements before age 18 may apply for a limited time extension in accordance with Guide to Advancement topic 9.0.4.0. These are rarely granted and reserved only for work on Eagle.

\textsuperscript{13}AGE REQUIREMENT ELIGIBILITY

Merit badges, badges of rank, and Eagle Palms may be earned by a registered Scout or a qualified Venturer or Sea Scout. Scouts may earn these awards until their 18th birthday. Any Venturer or Sea Scout who has achieved the First Class rank as a Scout in a troop or as a Lone Scout may continue working up to their 18th birthday toward the Star, Life, and Eagle Scout ranks and Eagle Palms.

An Eagle Scout board of review may occur, without special approval, within three months after the 18th birthday. Local councils must preapprove those held three to six months afterward. To initiate approval, the candidate, the candidate’s parent or guardian, the unit leader, or a unit committee member attaches to the application a statement explaining the delay. Consult the Guide to Advancement, topic 8.0.3.1, in the case where a board of review is to be conducted more than six months after a candidate’s 18th birthday.

If you have a permanent physical or mental disability, or a disability expected to last more than two years or beyond age 18, you may become an Eagle Scout by qualifying for as many required merit badges as you can and qualifying for alternative merit badges for the rest. If you seek to become an Eagle Scout under this procedure, you must submit a special application to your local council service center. Your application must be approved by your council advancement committee before you can work on alternative merit badges.

A Scout, Venturer, or Sea Scout with a disability may also qualify to work toward rank advancement after reaching 18 years of age if the guidelines outlined in section 10 of the Guide to Advancement are met.
TIPS:
1. Your board of review for life must be completed at least 6 months before your 18th birthday to satisfy requirements 1 and 4.
2. Requirements 1-5 can be worked on simultaneously.
3. Requirement 6 must be completed BEFORE your 18th birthday.

You will be living with this and you want to BE excited and LOOK excited about it. Some organizations to consider:  
| • Your church or synagogue | • City recreation department  
• Salvation Army | • City and county parks department  
• Senior citizens' center | • State and national parks  
• Nursing homes | • Conservation and energy groups  
• Public libraries | • Mayor and city government offices  
• Veterans organizations | • Civic clubs  
• Hospitals | • Your School |

**TIP:** In any case, be sure the project presents a challenge that requires leadership, but also something that you can do with unskilled helpers, and within a reasonable period of time. If there is a question whether a project is suitable please contact the Harford District Advancement committee at HarfordEagle@aol.com .
7. **Choose an Eagle Project Coach:**

   Contact your unit’s Scoutmaster and/or Advancement Chair and ask them for the list of approved Eagle Project Coaches for your unit (Eagle Project coaches have attended the Harford District Eagle Project Coach training). If your unit does not have an Eagle Project Coach then contact the District Advancement committee at HarfordEagle@aol.com and the committee will attempt to find a coach willing to work with you.

   **TIP:** While there is no requirement to use a Project Coach, the Harford District Advancement Committee **highly recommends** that Eagle Scout candidates choose an Eagle Project Coach to aid the Scout in completing the Eagle Scout Service Project.

8. **Obtain Scoutmaster and Unit Committee consent to proceed:**

   Discuss your Eagle Scout Service project concept with your Scoutmaster and/or Unit Committee Chair and gain their approval to proceed.

9. **Complete the “Eagle Scout Project Proposal” and Contacts Section:**

   The Scout completes the Contacts and Project Proposal pages of the Service Project Workbook, signs it, and reviews it with his Eagle coach. For the contact section use the following contact information:

   **Meeting The Five Tests of an Acceptable Eagle Scout Service Project**

   Your proposal must be prepared first. It is an overview, but also the beginnings of planning. It must show your unit leader, unit committee, and council or district that your project can meet the following tests.

   a. **It provides sufficient opportunity to meet the Eagle Scout service project requirement.** You must show that planning, development, and leadership will take place; and how the three factors will benefit a religious institution, a school, or your community.

   b. **It appears to be feasible.** You must show the project is realistic for you to carry out.

   c. **Safety issues will be addressed.** You must show you have an understanding of what must be done to guard against injury, and what will be done if someone gets hurt.

   d. **Action steps for further detailed planning are included.** You must make a list of the key steps you will take to make sure your plan will have enough details so it can be carried out successfully.

   e. **You are on the right track with a reasonable chance for a positive experience.** When completing your proposal, you only need enough detail to show a reviewer that you can meet the tests above.

   **TIP:** Please remember that the contents of the Eagle Scout Service Project Workbook should represent your best work. Please type (or write legibly), spell and grammar check the proposal. Avoid one sentence responses. Your responses should be detailed and well thought out. Please include before photos, drawings, tentative build plans, etc. when applicable and possible.

Obtain Approval from Harford District Advancement Committee:

Obtain District approval of the Project Proposal. If you are also holding a fundraising event, you will also need District approval for your Eagle Scout Service Project Fundraising Application.

The Harford District Advancement committee reviews Eagle Project Proposals each month at Harford District Round-table. Harford District Round-table is held the 2nd Monday evening of each month August through May.

The June proposal review/approvals location, date and time will be announced by the end of the first quarter of the calendar year.

Please be advised that the District Advancement Committee (DAC) will no longer schedule Eagle Project proposal reviews out of the normally schedule round-table reviews. While in the past we tried to accommodate all proposal review requests, (round-table or not), the scheduling of these (out of normal) reviews has become untenable. The DAC is asking for the support of all Scoutmasters, Committee Chairs and Eagle coaches, to notify and provide guidance to all prospective Eagle candidates. When a Scout decides to proceed with the planning and developing their selected Eagle Service project proper planning and lead times are paramount.

Pre-registration is required for all Eagle Scout Project Proposals. Scouts can visit the District calendar to locate the registration links to sign-up for a proposal review. (or see the schedule below)

District Calendar: [http://www.baltimorebsa.org/event/calendar/2411](http://www.baltimorebsa.org/event/calendar/2411)
