

Jingle Bell Beaver Day 2020

Broad Creek Memorial Scout Reservation

Small Groups of Camp Staff, Scouts, Scouters, Ventures, Sea Scouts

Saturday January 2, 2021. 8:30 AM – 5:00PM

Rain, snow, hail, or shine

This year we are asking groups to form ahead of the event (10 people or less), and coordinate with us ahead of time. This will allow us to keep groups isolated and help with COVID mitigation efforts. We will need to perform a medical screening for each person in attendance this year, which will occur outside of the **Welcome Center starting at 8:30am**. Once checked-in, we are asking that groups head to their worksite and stay isolated for the duration of the event.

Due to COVID, we will not be having the big gatherings in the morning or during lunch like in previous years. Our goal is to get teams out to do work as quickly as possible keeping distance outdoors between groups. Due to high risk, we will not be providing lunch and ask everyone to bring their own and eat at their work site. Mask usage will be enforced for this event.

We understand many will not be comfortable coming out to help at Broad Creek at this time, so we are putting together another work day to be held in the spring prior to the start of summer camp.

We have projects for everyone's skill level. We change light bulbs, repair canvas tents, repair picnic tables, clean gutters, flush water heaters, cut & split firewood, pressure wash buildings, perform trail work, and more. (Full list of projects on page 2) If you have a trade talent, specialized tools, or materials let us know. We want to match your talents to our needs.

For a full list of projects, and to register for the event, find us at www.broadcreekbsa.org/jbbd Or, contact George Mader our volunteer coordinator at Mader1@rocketmail.com.

2020 Jingle Bell Beaver Day Projects

General

Project	Participants Estimated	Leader
